We support all ages and abilities not just Autism. Our goal is to raise enough money to build a special needs playground that is 100% all-inclusive as well as building a wheelchair accessible treehouse. We want to build a special needs football, soccer, basketball and work-out/physical therapy area and more. We couldn't make this happen without the help of our sponsors. It would be our honor to have your company logo displayed at the Ausome Allen Playground. Making smiles and dreams come true.

God Bless!
